

Carpenter

Description

As one of the nation's largest single-source providers of construction contract labor, Commercial Trade Source (CTS) is currently expanding our field team by accepting applications for carpenters in the Pittsburgh area. Along with steady work year-round, we also offer:

- Health / Dental Insurance.
- Paid Holidays / Vacations.
- Overtime Opportunities.
- Prevailing Wage Opportunities.
- Paid Apprentice Programs.
- Continued Safety Programs.
- Tool Purchase Programs.
- Safety Education Programs

CTS is the partner-of-choice for many of the top construction companies across the United States. CTS not only partnered with some of the industry giants, but also supports small and medium businesses across the country from our different regional offices. CTS is a family-owned company, and our primary goal is building lasting relationships — with contractors, industry partners, and our employees.

CTS has been long considered to be one of the most successful construction contract labor companies in the nation. CTS has been awarded by the Associated Builders and Contractors with prestigious Trolson Image Award, and has also been selected as a top place to work in 2020 and 2021. Due to its dedicated staff and strong field team, CTS has built a strong reputation and an extensive network of contractor relationships that keeps our field team employed all year long.

Responsibilities

Responsibilities of the carpenter include, but not limited to:

- Installing foundations, walls, floors, ceilings, and roofs using materials such as: wood, steel, metal, concrete, plastics, and composites of multiple materials
- Fitting and installing window frames, doors, door frames, door hardware, interior and exterior trim using a carpenter's level, plumb bob, and laser levels
- Shaping or cutting materials to specified measurements, using hand tools, machines, or power saws
- Building or repairing cabinets, doors, frameworks, floors, or other wooden fixtures used in buildings, using woodworking machines, hand tools, or power tools
- Assembling and fastening materials to make frameworks or props, using hand tools and wood screws, nails, dowel pins, or glue
- Removing damaged or defective parts or sections of structures and repair or replace, using hand tools
- Inspecting ceiling or floor tile, wall coverings, siding, glass, or woodwork to detect broken or damaged structures
- Other job responsibilities as required
