

Concrete Form and Finisher

Description

As one of the nation's largest single-source providers of construction contract labor, Commercial Trade Source (CTS) is currently expanding our field team by accepting applications for concrete form and finishers in the Pittsburgh area. Along with steady work year-round, we also offer:

- Health / Dental Insurance.
- Paid Holidays / Vacations.
- Overtime Opportunities.
- Prevailing Wage Opportunities.
- Paid Apprentice Programs.
- Continued Safety Programs.
- Tool Purchase Programs.
- Safety Education Programs

CTS is the partner-of-choice for many of the top construction companies across the United States. CTS not only partnered with some of the industry giants, but also supports small and medium businesses across the country from our different regional offices. CTS is a family-owned company, and our primary goal is building lasting relationships — with contractors, industry partners, and our employees.

CTS has been long considered to be one of the most successful construction contract labor companies in the nation. CTS has been awarded by the Associated Builders and Contractors with prestigious Trolson Image Award, and has also been selected as a top place to work in 2020 and 2021. Due to its dedicated staff and strong field team, CTS has built a strong reputation and an extensive network of contractor relationships that keeps our field team employed all year long.

Responsibilities

Responsibilities of the concrete form and finisher include, but not limited to:

- Spreads concrete to specified depth and workable consistency, using float to bring water to surface and produce soft topping.
- Levels, smooths, and shapes surfaces of freshly poured concrete, using power trowel, or wets and rubs concrete with abrasive stone to impart finish.
- Removes rough or defective spots from concrete surfaces, using power grinder or chisel and hammer and patches holes with fresh concrete or epoxy compound.
- Molds expansion joints and edges, using edging tools, jointers, and straightedge.
- May sprinkle colored stone chips, powered steel, or coloring powder on concrete to produce prescribed finish.
- May produce rough concrete surface, using broom.
- May mix cement, using hoe or concrete-mixing machine.
- May direct subgrade work, mixing of concrete, and setting of forms, performing duties as described.
- May specialize in finishing steps and steps and stairways and be designated.
- May break up and repair old concrete surfaces, using pneumatic tools.
- Maintain a positive work atmosphere by acting and communicating in a manner to get along with customers, co-workers, and supervisors.
