

Industrial Painter

Description

As one of the nation's largest single-source providers of construction contract labor, Commercial Trade Source (CTS) is currently expanding our field team by accepting applications for industrial painters in the Indianapolis area. Along with steady work year-round, we also offer:

- Health / Dental Insurance.
- Paid Holidays / Vacations.
- Overtime Opportunities.
- Prevailing Wage Opportunities.
- Paid Apprentice Programs.
- Continued Safety Programs.
- Tool Purchase Programs.
- Safety Education Programs

CTS is the partner-of-choice for many of the top construction companies across the United States. CTS not only partnered with some of the industry giants, but also supports small and medium businesses across the country from our different regional offices. CTS is a family-owned company, and our primary goal is building lasting relationships — with contractors, industry partners, and our employees.

CTS has been long considered to be one of the most successful construction contract labor companies in the nation. CTS has been awarded by the Associated Builders and Contractors with prestigious Trolson Image Award, and has also been selected as a top place to work in 2020 and 2021. Due to its dedicated staff and strong field team, CTS has built a strong reputation and an extensive network of contractor relationships that keeps our field team employed all year long.

Responsibilities

Responsibilities of the painter include, but not limited to:

- Various daily duties including utilizing various spraying techniques with airless sprayers and HV/LP Sprayers, as well as cutting in, brush, and roll techniques
- Prepare work to be accomplished by studying work order, bill of materials and blueprints.
- Operate paint spray equipment to paint surfaces of bodies and parts.
- Dispose of hazardous waste from the painting process in accordance with federal and state laws.
- Apply paint coats in accordance with company specifications.
- Adjust paint spraying equipment to get proper flow and coating thickness.
- Match or detect differences between colors, including shade of color and brightness.
- Responsible for inspecting work on an assortment of parts and bodies after paint is applied.
- Observe health and safety by wearing respirator, paint suits and all other PPE.
- Document actions by completing production and quality forms.
- Maintain a clean and safe work area.
- Participate in all continuous improvement programs by offering suggestions and exhibiting initiative in areas within direct control.
- Other duties as assigned by the manager.
